

MISSOURI ARTS COUNCIL INVOICE FOR REIMBURSEMENT

FY2020 July 1, 2019 through June 30, 2020.

Invoice form must be typed.

What you need to do for payment:

- Spent the money for the approved MAC-funded project during 2019-2020 school year.
- Ensure signed Grant Agreement is on file with MAC.
- Submit Grant Change Request through the online grant system's Note section if there are any changes with contact, address, program, or authorizing official.

Invoice Policy: Schools must pay transportation expenses prior to requesting reimbursement. Schools must submit the MAC invoice 30 days after the last field trip or by Monday, June 8, 2020, whichever occurs first. Invoices may be 100% paid *before* the Final Report is submitted.

If the school is submitting the invoice before the final report, it must include a copy of the transportation invoice or bill (or copy of check showing transportation costs).

Processing Time: After receipt of the properly completed invoice, processing time will vary depending on when MAC received it. As MAC's funding is received quarterly, we will fund invoices as money is available. There are days every month and annually when the accounting system is closed to allow reconciliation. For planning purposes, it should take at least 4-5 weeks for reimbursement. Payment is issued from the State of Missouri Office of Administration.

MAC grant recipients assume the responsibility for accurate and timely invoicing. Delays may occur if the invoice is submitted with errors, if the invoice is submitted late, if project changes have not been approved in advance.

Final Report: Due 30 days after the *last field trip* (shown on the application or approved by Grant Change Request) or by July 20, 2020, *whichever occurs first*.
