

## FY2022 Express Touring Grant for Schools and Communities

for Projects Occurring July 1, 2021 through June 30, 2022

Grant Programs are subject to change due to budget restrictions.

### Who May Apply?

For eligibility requirements and other funding policies, consult the [FY2022 Guide to Express Grants](#).

### What Does Express Touring Fund?

There are two categories for Express Touring Grants:

- **Community Touring** grants provides funding to eligible nonprofit organizations that hire performing artists listed in MAC's **Missouri Touring Performers Directory** for a public performance. Community Touring grant will pay a portion of the artistic fee paid to the performing artist that travels at least 50 miles from their Missouri home base to the performance venue within Missouri.

For organizations that want to hire a Directory artist that lives closer than 50 miles or non-Directory performing artist from Missouri or out-of-state, Express Project grant might be an option. For details, consult the [Guide to Express Grants](#).

- **School Touring** grants provides funding to PK-12 grade schools who hire performing artists listed as **School Touring Qualified** in Missouri Arts Council's Missouri Touring Performers Directory. The grant pays a portion of the artistic fee charged for schools and organizations to present performing artist(s) during school assemblies.

Additional activities may include small group enrichment sessions, interactive workshops and lecture demonstrations. There is no requirement for artists to travel any distance for this grant.

**Express Touring applicants are responsible** for selecting and scheduling the artist(s) and negotiating the artistic fee. Artists must be paid in full upon completion of the performance. All Missouri Arts Council grants are paid as reimbursement. Processing time may vary because there are many possible reasons for delays, so organizations must have sufficient cash reserves or incoming revenue to pay the artist fee upfront and then wait for payment from the Missouri Arts Council.

### What MAC Cannot Fund

Express Touring grants cannot be used for the following:

- Events **not marketed or open** to the general public.
- Fundraising events.
- Performances held at venues not accessible to persons with disabilities.
- Performances held at a college campus venue that's not accessible to the general public, for example, in adequate signage directing the general public to the venue and no reserved parking for off-campus visitors during the event. Also, the Missouri Arts Council requires that at least 30% of the audience for college/university-affiliated programs is drawn from the general public.
- Applications from organizations that receive Missouri Arts Council funding through the Established Institutions or Mid-Sized Arts Organizations program.
- Additional funding policies available on pages 6-14 of the FY2022 [Guide to Express Grants](#).

## Missouri Touring Performers Directory

Organizations and interested venues can search the online [Missouri Touring Performers Directory](#) for over 160 dancers, musicians, theatrical performers, storytellers, and folk artists that were selected by an independent panel for their artistic ability and touring experience.

The artists are available for performances, demonstrations, workshops, and/or master classes. Directory searches can be done by name or artistic category (Dance, Puppetry, Storytelling, Music, Theater, and Visual Arts). The listing includes a brief description of the artist's programs and bio, contact information, technical requirements, available times, fee range (factors include number and type of performances, distance traveled, transportation, lodging, and block booking).

Artists listed as [School Touring Qualified](#) have been evaluated by a panel of arts education professionals. Their performances have been observed in classroom situations, classroom teachers have been interviewed, and their study guides are part of the application and selection process. Missouri artists listed in [Kansas City Young Audiences](#) catalogues are included in the Missouri Touring Performers Directory and are School Touring Qualified.

## Grant Request/Application Limit

The applicant may request 60% of the artistic fee(s) which may include performance as well as related travel, lodging, and per diem. Applicants are limited to one application/grant within the fiscal year (July – June) and, if requesting support for multiple artists, must combine them into a single application.

- **Community Touring:** The maximum grant request is \$3,000.
- **School Touring:** The maximum for the school district is \$3,000, with \$1,000 maximum per school. Each school is limited to one application/grant within the fiscal year (July – June).

Organizations that received MAC's "Arts Council" grant may apply on behalf of their local school district(s). This is intended to encourage cooperation between local arts councils and school districts and to expand the number of schools receiving arts education funds. For Arts Council grantees, the additional application will not contribute to the total number of grants they are eligible to receive.

Payment of the Missouri Arts Council grant is always made on a reimbursement basis. Organizations must have sufficient cash reserves or incoming revenue to pay for all of the expenses upfront and then wait for payment from MAC. Also, all grant recipients must be signed up to receive Electronic Fund Transfer as well as registered as a state vendor with current address and banking information. For more information, consult [State Vendor System for Payment of Grants](#).

## Determining Grant Amount

Express Touring grants are not competitive and will be awarded while funds are available (first-come, first-served basis). The applications are reviewed by program specialists for completeness and accuracy. The full funding recommendations are approved by the MAC Executive Committee.

## Match Requirement

Applicants must provide matching funds of 40% or more in cash. Sources of matching funds may include corporate, PTO, and Booster club sponsorships, ticket sales, program advertising revenue, concessions, and organization funds.

## Application Deadlines

Express applications must be submitted by the first Monday of any month and at least two months in advance of the month the first performance will occur. For example, if the first performance occurs in June, then the deadline is the first Monday of April. If the first Monday falls on a holiday, the deadline will be Tuesday. MAC encourages organizations to submit their monthly applications early in order to support advance planning and ensure funding availability. Notification is approximately 45 days after submission.
