To access your organization's record:

Click **Update Email Information** to change your email address.
- To search for past payments, click **Date/Location** to access the street address(es) on record and then search using **Dollar Amount** or **Date/Location**. Don't use *Invoice Number* or *Check/EFT Number* (these numbers are created internally by MAC and the state).

## Questions?

- If you forget your password or username, click on the "Forgot Password?" link on the [MissouriBUYS login page](#).
  - For lost password, enter the Username and click the Submit button.
  - For lost username, click on the "Don't know your username?" link, enter the email address you entered during registration and click the Submit button.

- For general questions, contact the appropriate Missouri Arts Council [Program Specialist](#).

## \* Parent/Holding Company or Branch/DBA

In most cases, organizations will select **Parent/Holding Company**. Under some circumstances, **Branch/DBA** would be the more appropriate selection. For example, a department of city or county government or college/university where your organization is a child company or branch location of another entity.

If you register as a **Branch or DBA**, you will be required to enter a 9-digit Unique Branch Identifier, usually DUNS number. The DUNS number should match the profile in Missouri Arts Council's grant system.

If you have any questions about selecting **Parent/Holding Company versus Branch/DBA**, contact [Joan White](#), Grants Manager.
